Dear Friend,

I am writing this letter on behalf of our missionary team that is going overseas to Haiti in July, 2010.

As we look forward to this tremendous opportunity to minister to the spiritual and physical needs of the people of Haiti and by demonstrating the love of Jesus to them, I want to ask you to consider financially supporting this outreach. Your financial gifts, made payable to Victory World Church, will be used solely for the travel, living and ministry expenses of the team. You may designate your gift to a particular individual that you would like to support. All contributions are tax deductible.

In the unlikely event that a person you have noted for support does not go on the mission trip, your contribution will remain designated toward the trip of the applicant missionary.

Please accept this letter as certification that this person has been approved to travel with the Victory World Church mission team. We believe that any contribution that you make in the life of this missionary will be of eternal value. We are grateful to you for your prayer and financial support.

Sincerely,

Dennis V. Rouse
